EDUCATION

Present

Human-Computer Interaction Design
Kungliga Tekniska Högskolan (M.Sc)

Touch Interface – User Modeling Development
Cost Sharing – Android App Development
Collaborative Drawing – Interaction Design
EventMap – Physical Interaction Design

2017
2016

User Modeling
Aalto University (M.Sc)

Smooth Pursuit – Eye Tracking Calibration
Helsinki Traffic Card – Usability Evaluation
ChairUp – Sensor Development
Neighbourhood Car – Business Concept Development

2016
2012

Electronic Information Engineering
Communication University of China (B.Eng)

Downdate Beijing – AR Development
Media Youth – Magazine Journalism

WORK EXPERIENCE

2017
Aug
May

Research Assistant
User Interfaces Research Group   Finland

A group on modeling & optimizing HCI
Developed interactive python course demos

2016
June
Apr

User Researcher
Zhishi Yinxiang Co., Ltd   China

A startup for online primary education
Conducted 60+ interviews,
statistically modeled user behaviors

> *I am an interaction designer with rich application development experience, an entrepreneurial spirit, a quick-learner, and a self-initiator. I'm looking for master thesis & intern in the area of* ***Natural User Interface.***

SKILLS

Programming

C/C++, C#, Python,
JavaScript, AngularJS,
Matlab, R, Plotly,
Git, Linux, LaTeX, SSH

Design Tools

Axure, Balsamiq, InVision, Unity3d,
3DsMax, Rhino, CAD, Adobe Ps, Pr,
BootStrap

Hardware

Tobii EyeX, Kinect, PixelSense,
Raspberry Pi, Arduino, electronics

Language

Chinese	(native)
English	(fluent)
Finnish	(basic)
Swedish	(basic)

AWARDS

Aalto Dean-incentive **Scholarship**
CUC C-class **Scholarship**
(2013/2014)
CUC Outstanding student
Association Leader (2% of campus)
